 Swift
 Black Iris - Swallow Wood
 C.H. Van Horn's Co. arrived
 early in the forenoon with a
 3.2 inch gun which was
 used at Ali's fort. The small
 gun having been fired
 several times.

[7th May Kinney.
 7th mile from
 Kudarangang to Barak.]

✓ Plain vulture
 ✓ Bunting
 ✓ Red-tailed
 ✓ White-headed
 ✓ Gray Martin
 ✓ Mistle thrush

✓ Long-tailed Shrike

[Joseph H. Hall
 7th mile from Kudarangang, March 10, 1904.
 Shelled the fort all day and evening. Two
 companies of the 17th Infantry
 and a company of the 1st
 Cavalry were on duty
 within 500 yards
 of the fort with troops
 men accompanying.

* Lieutenant Joseph H. Hall
 17th Infantry was killed
 by Datto Ali's men in
 a fight at Simpitan, on May
 8, 1904.

March 12, 1904 - Left
camp at Ali's Fort at 5:30
a.m. and marched to Libungan
and capture Ed the Sijibang
at 4:30 P.M. Left after breakfast
and marching, and
rejoined with him to Libungan
River, where we camped at
10:30 P.M. The country is
a moist prairie similar to those of
Fla., north of L. Okeechobee. Along
the Libungan and other streams
of the foothills there is heavy timber.
At evening *Aramus* (?) was crying
loudly beside the Libungan R. Large
Pigeons, Cockatoos, Large green
Parrots, Smaller green Parrots,
Little red-and-green Paroquets,
a few Rifle Birds. Black
Hornbill. One seen feeding its
mate in large hollow, dead tree
where it had the appearance of a
huge Woodpecker. *Chrysocolaptes*
scarce. Long-tailed Heron.

Swallow-Shrike, Osborn
Java Sparrow or Rice Bird,
Plain buffy *Lucustella*, Catbird
Warbler, White-headed Chat,
Oriole, *Betonides*, Green Pigeon,
Ringdove, *Gallus*, Harrier
(black & gray), White-headed Hawk,
Owls & nightjars at night, Aluco,
Motacilla, Gallinago, Heron. Blue
-and-white Kingfisher, *Merops* (not
~~breeds~~), all black Rainerow, Small
dusky, Broadmouth, Rainerow.

March 13, 1904
Left Libungan River at 5 a.m.
and reached Ali's Fort at 1:30 p.m.
Birds seen: *Merops*, *Aluco*, *Harrier*,
Pteropus, *Ringdove*, *Swallow-Shrike*,
White-headed, *Harrier*, *Hawks*, *Alucos*?
Oriole, *Black*, *Brown*, *Java Sparrow*,
Long-tailed Shrike, *Motacilla* with
note like Kingbird, *Black Hornbill*,
Black Starling, *Ringdove*, *Green*
Pigeon, *Big, iridescent Pigeon*,
Heron, *Cockatoo*, *Big Green Parrot*.

Carabao / Birds.

Month of Tubungan River
with blockhouse & detachment
of soldiers. Dimpangan market.

Passed Sulit, belonging
to the Princess ^{base} at 1:35 P.M.

✓ About half the Carabao birds
have saffron plumage, the
rest all white.

Passed Sultan's place on
right bank at 1:45 P.M.

Left Sulit at about
2 P.M. and arrived at the
river by daylight.

✓ *Inugoides*
✓ *...*
✓ *...* } near mouth of river
✓ *...*

At evening large *...*
Bats flew over the ship.

March 15, 1904.

Reached Zamboanga at
9 A.M. Got most of my
stuff off the Range & unpacked
it. Made up skins of Black
Heron, Ibis, and Gallinules.

Drs. Harris & Corbusier showed
me two specimens of *Tarsus*
spectrum from Zamboanga
one in formalin, and one
alive. The latter was just
eating a huge cockroach
that it caught in the box
attracted by rice put there
for the *Tarsus*.

✓ Sparrows, long-tailed & short
✓ Brown Chirid
✓ Black Starling
✓ Oriole
✓ Swallow-Shrike
✓ Crow
✓ Black-throated Sunbird
✓ *Inugoides*
